

Does Satan Tempt Christians to Sin - - or Shift Their Point of View?

When Christians Worship God as a “Man”

Lorraine Day, M.D.

“Because, when they knew God, they glorified Him not as God. . . . Professing themselves to be wise, they became fools, **and changed the glory of the uncorruptible God into an image made like corruptible man. . .**” Romans 1:21-23

Unbelievers are tempted to sin. The temptations of Jesus were in a different realm and had no appeal to us when we were unbelievers, because they were not at home in our human nature. Only when we became born again, having the life of Christ in us - when we became His “brothers” – do we begin to understand His temptations. Each time Jesus was tempted in the wilderness, Satan tried to shift Jesus’ point of view – from God - to Himself.

But every time He was tempted, Jesus **refused** to shift His point of view from God to Himself.

1. Jesus’ first temptation was regarding the lust of the flesh. “Don’t depend on God. Don’t wait until God acts. Take the matter into your own hands and give yourself a “Quick Fix.” If you’re hungry, then EAT – as soon as possible.”

It was on the sin of appetite that Adam and Eve fell, and passed “death” on to the entire human race. So the sin of appetite was the first temptation for the Lord, to triumph where Adam and Eve fell.

“If you are the Son of God, (You) turn these stones into bread.” Matt 4:3

2. The second temptation concerns the pride of life: presumption. And the devil uses a text of Scripture.

“The devil takes Jesus to a high pinnacle of the temple and said, ‘If thou be the Son of God, cast thyself down; for it is written, He shall give his angels charge concerning thee; and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone.’” Matt 4:5,6

3. The third temptation concerns the lust of the eyes:

“The devil takes Him up into an exceeding high mountain, and shows Him all the kingdoms of the world, and the glory of them and saith unto Him, ‘All these things will I give you, if you will fall down and worship me.’” Matt 4:8,9

Jesus Christ’s temptations were not those of the unbeliever – the sins of the flesh spoken of in nine of the Ten Commandments: murder, stealing, lying, adultery, dishonoring parents, covetousness, taking God’s name in vain, etc.

In each case of the temptations of Christ, Satan is trying to shift Christ’s point of view, as set forth in the Fourth Commandment: the Sabbath commandment, in which Satan has successfully shifted the Christian’s point of view. God asks us to keep the Seventh-day Saturday Sabbath, the day God made holy, because God created the whole world, and all humanity, therefore we should worship Him.

Worshipping on Sunday – the day of the pagan sun god

But Satan is shifting the point of view of the believer from worshiping God, the Creator, to worshiping the creation: worshiping and believing in “man” (the creation) rather than God. Rather than worshiping on the Saturday/Sabbath, the day God made holy as a memorial of His creation (Genesis 2:1-3), Christians prefer to worship on Sunday, the pagan day of the sun god, the day the pagans worship the sun as the giver of life on earth. Thus, Christians, by worshiping on Sunday, they are worshiping the creation rather than worshiping the Creator.

Believing in pastors and churches rather than having Jesus Christ as our direct teacher:

You need no man to teach you. . . One is your Teacher, Christ.” 1 John 2:27; Matt 23:10

Believing in doctors for healing, rather than believing in God’s way of health.

“If you obey My laws, My Commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15

Free Will: Man’s arrogant replacement of God – with himself (“man”)

“God is operating ALL in accordance with the council of HIS OWN WILL.” Eph 1:11

Hellfire: As we have learned, the word “hell” is not in the Bible. It has been “written in” by the translators.

Throughout the New Testament, and even in the Old Testament, “fire” is used as a symbol for purification – purifying the sin out of one’s life.

Like a loving parent, all God’s disciplines are remedial – NOT punitive. Like a loving parent, God’s disciplines are designed to “turn us back to right-doing (righteousness).

“But **judgment** shall return unto righteousness (right-doing).” Psalm 94:14

“Judgment” is designed to turn a person back to right-doing.

“. . . for when Thy **judgments** are in the earth, the inhabitants of the world will learn righteousness (to do right).” Isa 26:9

God’s “judgments” will teach people how **to do right** (righteousness).

God has clearly said that the thought of burning human beings alive would **NEVER have entered His mind!**

“They have built also the high places of Baal, to burn their sons with fire for burnt offerings unto Baal, **which I commanded not, nor spake it, neither came it into my mind.**” Jer 19:5

State of the Dead

The Bible tells us that Death is an **enemy**.

“The last **enemy** that shall be destroyed (abolished) is death.” 1 Cor 15:26

No one “goes to heaven” (or hell) when he dies. Everyone is dead in the grave after death.

“For the living know that they shall die: but the dead know not any thing.” Eccl 9:5

But the majority of Christendom views Death as a higher form of life. Apart from the physical sufferings, Christendom makes death a portal to glory instead of the gate to shame. Without knowing the high honors of Christ nor the deep disgrace of death, Christians cannot compute the vast distance between them, so cannot

realize or appreciate the descent of Christ to the cross or the glory of His resurrection.

God did not say to Adam:

“In the day that you eat of it (the tree of knowledge of good and evil), you shall surely die,” as the King James Bible and almost all other versions, say in Genesis 2:17.

Obviously, Adam and Eve did NOT die the same day they ate of the tree.

God DID say,

“In the day you eat of it, dying you shall die.” You will BEGIN dying, which will culminate in your death over 900 years later. Indeed, Adam and Eve lost their covering of light; they were naked and afraid. They covered themselves with fig leaves and hid from God.

From the moment we are born, we are all dying, that culminates in our subsequent actual death. We are all dying because of sin - sin that has separated us from the life of God.

Satan is the author of DEATH – through sin. Therefore, Death CANNOT be the gateway to Life!

“Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death He might **destroy him that had the power of death, that is, the devil;**” Heb 2:14

Self-Defense: Individually and through War by “Supporting the Troops”

But Jesus said, “Love your enemies. Do GOOD to those who hate you.”
Luke 6:27

We should allow God to “**fight**” for us, and NOT fight for ourselves.

Moses said to the Israelites: “Fear ye not, stand still, and see the salvation of the Lord, which He will show to you today. . . **The Lord shall fight for you**, and you shall hold your peace (Stop Talking – and Be Quiet!)” Ex 14:13,14

How does God “fight” for us? In a non-lethal way!

“And I will send **hornets before thee, which shall drive out** the Hivite, the Canaanite, and the Hittite, from before thee.” Ex 23:28

Universal Restoration

The word “Gospel” means “Good News”

Nothing could be **better news** than the fact that God is going to save EVERYONE – but not “in” their sins – only “from” their sins – AFTER they have reaped what they have sown.

God **COMMANDS** us to Teach Universal Restoration:

“**God is the Savior of ALL mankind**, especially (NOT ONLY) of those who believe (have faith – believe without seeing).

“**These things COMMAND and TEACH!**” 1 Timothy 4:10,11

The word “mankind” in this verse is the Greek word *anthropos* – from the English word **anthropology – the study of **mankind!****

“**Especially” but not ONLY “of those who believe.”**

This passage shows that there will be another group that will believe ONLY after they SEE - - - SEE Jesus Christ directly at the Great White Throne Judgment. Just like Doubting Thomas who would only Believe – when he actually SAW.

Jesus did not denounce Thomas, nor did Jesus tell Thomas he would not be saved because he did not “believe” – until he actually “saw.”

The Truth of Universal Restoration is virtually UNKNOWN in Christendom

This grand truth of Universal Restoration seems to be almost unknown in Christendom. Although the very climax and fulfillment of all revelation, it has been eclipsed by human perversions. As a result the god of Christendom has lost the essential attributes of Deity. He is like the foolish man who started to build but could not finish.

Luke 14:28-30 “For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it—lest, after he has laid the foundation, and is not able to finish, all who see it begin to mock him, saying ‘This man began to build and was not able to finish?’”

Is Jesus Christ NOT going to be able to finish what He came to earth to do?

When Jesus died on the cross, He said, "It is finished."

What was finished? The Salvation of everyone in the world!

God will save EVERYONE He has ever created – AFTER they have reaped what they have sown, and after they have understood that they need Jesus Christ to run their life.

Unfortunately, the theology of the churches brings nothing to a conclusion. Sin, suffering, and insubjection are **never** conquered. God is compelled to work an eternal miracle – keeping people alive indefinitely just so He can torture them for billions of years, to pay for a few short years of sin on this earth. Thus, God will maintain a never-ending eyesore in His creation – an eternal hellfire with writhing suffering souls who will be tortured FOREVER – in a world that was initially created so sinless and so good.

“Remember the Sabbath Day to Keep it Holy!”

Christians believe “man” has the right to CHANGE the day made holy by God (the Seventh-day, Saturday, Sabbath) by worshiping on Sunday – the day of pagan sun worship.

“Remember the Sabbath day to keep it holy. Six days thou shalt labor and do all they work, but the Seventh day is the Sabbath of the Lord thy God. In it, thou shalt not do any work: thou, nor thy manservant, nor thy maid servant, nor thy cattle, nor thy stranger that is within thy gates.

“For in six days the Lord made heaven and earth, the sea, and all that in them is (God is our Creator – therefore He has the right to our worship), and rested (stopped His work) on the seventh day: wherefore the Lord blessed the Sabbath day, and made it holy.” Ex 20:8-11

Worship GOD – and NOT the “earth.” Worship the Creator – and NOT the creation!

Sunday is the pagan day of worship of the sun god.

Instead of worshiping on the Seventh-day, Saturday, Sabbath, Christians have chosen to worship on the pagan day of worship of the sun god – the god that the pagans worship because they believe that the sun (rather than the God who MADE the sun) gives life to everything on earth.

Satan subtly shifts the Christian's point of view to worshipping the creation rather than worshipping the Creator:

Churches are promoting Government propaganda, such as:
Earth Day, (the fraud of) Global Warming – now called “Climate Change”
(because the earth is NOT getting warmer)

“Churches worldwide joined in green activities Sunday, ahead of this week's official Earth Day, engaging in everything ranging from teaching children to recycle to turning off unneeded electricity in the church building. The special efforts were done in observation of the annual Earth Day Sunday, or Ecumenical Earth Day, which seeks to promote the care of God's creation. The church-focused event is held each year on the Sunday before the mainstream Earth Day, which will take place on Tuesday.

“We want to help people learn about earth stewardship and have a time of praise” for God's creation, said Cheryl Phipps, a committee member of the Ecumenical Earth Day celebration at Christ the King Lutheran Church in Dalton, Ga., according to Dalton-based The Daily Citizen newspaper.

Earth Day Liturgy From the National Council of Churches

The church is called to participate in God's transformation of creation. Congregations and individuals have found ways they can address the challenges of climate change including: turning off lights and appliances to reduce their use of electricity and energy, choosing public transportation instead of single occupancy vehicles, and sharing their concerns about the [environment](#) with their neighbors, leaders of industries and their legislators.

But first of all, Christians are praying--praying for wisdom and strength to help restore and protect the wonderful gift of creation.

Celebrate Earth Day Sunday

Earth Day is celebrated on April 22 each year, and Presbyterian churches are urged to celebrate Earth Day Sunday near this date. In 2015, either April 19 or April 26 might make a good Earth Day Sunday. You may also choose another date, any time of year that works for your church.

Earth Day Falls During “Occult Days of Significance”

The Cult of Baal Never Disappeared

Throughout many centuries and across many civilizations, the second half of April has always been a time of blood sacrifice. The worship of Baal took many names (Enlil, Molech, etc.) and spread across several civilizations. Being a sun god and a god of fertility, rituals celebrating Baal took place after the vernal equinox (a time of rebirth) and often involved human sacrifice.

“The cult of Baal celebrated annually his death and resurrection as a part of the Canaanite fertility rituals. These ceremonies often included human sacrifice and temple prostitution.”

– Baal, Encyclopedia Mythica

–

Although the observance of these rituals was sometimes condemned by religious movements, it never truly disappeared.

“The religion of the god Baal was widely accepted among the ancient Jews, and although it was put down at times, it was never permanently stamped out. Kings and other royalty of the ten Biblical tribes worshiped the god. The ordinary people ardently worshiped this sun god too because their prosperity depended on the productivity of their crops and livestock. The god’s images were erected on many buildings. Within the religion there appeared to be numerous priests and various classes of devotees. During the ceremonies they wore appropriate robes. The ceremonies included burning incense, and offering burnt sacrifices, occasionally consisting of human victims. The officiating priests danced around the altars, chanting frantically and cutting themselves with knives to inspire the attention and compassion of the god.”

– Ibid.

–

As a sun god, Baal’s worship involved human sacrifice and fire. Today, in the occult-elite ruled America, this time period often equals fire (or gun fire) and death. These rites were even mentioned in the Bible:

“They have built the high places of Baal to burn their children in the fire as offerings to Baal—something I did not command or mention, nor did it enter my

mind.”

– Jeremiah 19:5

–

From the Babylonian, Assyrian and Phoenician civilizations of the Middle-East (their Mystery religions come from the same point origin), the cult of Baal spread to distant civilizations, such as the Celts, who observed Beltane rituals on May 1st (Beltane originates from the word “Baal”). While the observance of Baal rituals differed from one civilization to another, they were nevertheless grounded in the same occult concepts of numerology and sacrifice. In other words, they were all tapping into the same magickal knowledge.

Today’s occult elite still observes these rites, but with one major difference: They are now carried out on unsuspecting civilians and spread across the world through mass media. Fed and amplified by the fear and trauma of the masses, these mega-rituals are seen by all, but only celebrated by the occult elite. More than ever, we are dealing with Black Magick.

Other sites dedicated to occult numerology have published information emphasizing the importance of this time period.

“April 19 – May 1 – Blood Sacrifice To The Beast, a most critical 13-day period. Fire sacrifice is required on April 19.

April 19 is the first day of the 13-day Satanic ritual day relating to fire – the fire god, Baal, or Molech/Nimrod (the Sun God), also known as the Roman god, Saturn (Satan/Devil). This day is a major human sacrifice day, demanding fire sacrifice with an emphasis on children. This day is one of the most important human sacrifice days, and as such, has had some very important historic events occur on this day.”

– Occult Holidays and Sabbaths, [Cutting Edge](#)

–

Another article briefly describes the elements required to carry out the elite’s mega-rituals.

“The human sacrifice required during many of these occult dates needs to contain the following elements, each one of which is exaggerated to the highest possible degree:

1. Trauma, stress, and mental anguish, sheer terror
2. The final act in the drama should be destruction by a fire; preferably a conflagration.
3. People must die as human sacrifices, especially children, since The Darkness views younger human sacrifice as most desirable”

– Advent of Deception

Of course, not every event that occurs during that time period is related to Illuminati human sacrifice. However, most of the events mentioned above fit right in the mega-ritual “criteria” checklists. If you look carefully at the facts surrounding each one of these events, you might conclude that they were either carried out by government officials or blamed on mind-controlled patsies. Most of these events are absurdly gratuitous, generating even more trauma and causing people to wonder “what kind of evil people would do such a thing?” Unfortunately, these evil people rule us, and the same events are then used to further extremist political agendas.

The powers that be have become masters at combining pragmatic politics with occult rituals.

Mass violent events involving death and fire happen regularly during the same time period that is occultly dedicated to Baal, who is worshipped through fire and human sacrifice. Whether this is all done on purpose or just the result of some crazy universal synchronicity, the fact is still there and cannot be disputed.

Incidentally, the compound that was burned down in the 1993 Waco Massacre was named Mount Carmel Center. In the Bible, Mount Carmel was where Elijah defied the prophets of Baal, challenging them to pray to Baal until he lit a fire in front of them. Was the fire at Mount Carmel Center a symbolic revenge of Baal?

APRIL 19TH- MAY 1ST: 13 DAYS OF PREPARATION AND MAY DAY

The 13 days prior to and including May Day (April 19th- May 1st) consist of fire sacrifices to Moloch (aka Ba'al, Nimrod, Saturn, etc.), starting on April 19th. Knowing there are links of sacrificing children through fire to these pagan gods in our past, there is a disturbing coincidence of some mass murders committed in this time period involving fire and children. This includes the fire at the Branch Davidian Complex in Waco, Texas on April 19th, 1993, and also the Oklahoma City tragedy on April 19th, 1995. In fact, Timothy McVeigh cited the Waco incident in his reasons for committing the bombing at the Alfred Murrah Federal Building. Could these incidents all be tied together with the sacrifices to Moloch in the valley of Gehenna?

The Oklahoma City National Memorial was dedicated on the same date of April 19th, 2000 as well to commemorate the victims and annual services are ritually held at the same time and day annually (9:02 AM).

To add one more link into the mix, Tamerlan Tsarnaev (one of the Boston Marathon bombings suspects) was shot and killed on April 19th, 2013.

Beltaine festival is celebrated starting on April 30th, and is the final celebration before May Day. It is the halfway point between the spring equinox and summer solstice, and considered one of the four big annual occult festivals. This holiday marks the beginning of the summer season and bonfires would be started as a ritual for protecting crops and people, and the flames were symbolic of the sun.

The bonfires were previously called “bailfires” referencing fires for the god Moloch, aka Ba’al. So, in essence we could call them “Ba’alfires.” Again, we see the sacrifice of children to this occult god Ba’al being played out in different forms.

The Travesty of Christians Worshiping the Earth

Most true Christians are not tempted to steal, or murder, or to worship idols, or take the Lord’s name in vain. Sometimes they’re tempted to lie or commit adultery, or covet their neighbor’s possessions or wife.

But Christians are very often tempted to shift their point of view – away from God – and toward “man.”

Communism (under the guise of “Socialism”)

"If ever Socialism is to succeed, it cannot succeed in an irreligious country. It must start in the churches."

Walter Rauschenbusch

God NEVER Wanted an Organized Church – because He knew it would be taken over by Satan!

Harold Rosenthal (Jew), Administrative Assistant to Jacob Javits (Jew), Senator from New York (1957-1981) said the following – about Christianity – in an interview conducted by Christian Walter White for a Christian magazine:

The Control Over Religion

As the hours rolled on in this intense, but cordial, interview, Mr. Rosenthal exposed his thoughts concerning religion.

"Religion, too, must be taught, and through this necessity we have labored. (As the Jew Karl Marx stated: "Religion is the opiate of the people.") With our control of the textbook industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. (This is one of the main reasons for the power and the control Jews have attained over white nations -- the adopting of Jewish ways. As Henry Ford stated: "The Christian cannot read his Bible except through Jewish spectacles, and, therefore, reads it wrong." (The International Jew Vol. IV, p. 238). As a result, Christians don't have God's word on a certain matter, they have the Jew's word.) Judaism is not only the teaching of the synagogue, but also the doctrine of every 'Christian Church' in America. Through our propaganda the Church has become our most avid supporter. This has even given us a special place in society, their believing the lie that we are the 'chosen people' and they, gentiles.

"These deluded children of the Church defend us to the point of destroying their own culture. (Jews need not have their finger on every button that causes a destruction or a **Judaization of Christian civilization, as in many cases they have their proselytes or "Gentile fronts" to do it for them.) This truth is evident even to the dullard when one views history and sees that all wars have been**

white fighting white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. **Through our influence of religion we were able to involve the ignorant white Christians in war against themselves which always impoverished both sides while we reaped a financial and political harvest.** Anytime truth comes forth which exposes us, we simply rally our forces -- the ignorant Christians. They attack the crusaders even if they are members of their own families. (Anyone who has been in the forefront exposing the truth of the Jewish issue can attest to this fact stated by Mr. Rosenthal.)

"Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits. **An example of this is race equality that led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same.** Their inconsistency is never discovered. **So we Jews enjoy a special place in society while all other races are reduced to racial equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level.**

"We have been taught that our current economic practices are benevolent therefore Christian. These pulpit parrots extol our goodness for loaning them the money to build their temples, never realizing that their own holy book condemns all usury. They are eager to pay our exorbitant interest rates. They have led society into our control through the same practice. **Politically, they hail the blessings of democracy and never understand that through democracy we have gained control of their nation.** Their book (Notice that Mr. Rosenthal always refers to the Bible as their book -- the white people, never as our book or the Jews' book) again teaches a benevolent despotic form of government in accordance with the laws of that book, while a democracy is mob rule that we control through their Churches, our news media and economic institutions. **Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily."**

The Jewish Belief and Religion

In the quietness of this enlightening conversation it became clear that the understanding poured forth did not come from a novice. Mr. Rosenthal was asked how Jews gain acceptance so easily among other races. His answer was long and thorough.

"At a very early date, urged on by the desire to make our way in the world, Jews began to look for a means whereby we might distract all attention from the racial

aspect. What could be more effective, and at the same time more above suspicion, than to borrow and utilize the idea of a religious community? We've been forced to borrow this idea from the Aryans. We Jews never possessed any religious institution which developed out of our own consciousness, for we lack any kind of idealism. This means that a belief in life beyond this terrestrial existence is foreign to us. As a matter of fact, the Talmud does not lay down principles with which to prepare the individual for a life to come, but furnishes only rules for a sumptuous life in this world. It is a collection of instructions for maintaining the Jewish race and regulating: intercourses between us and the goy. Our teachings; are not concerned with moral problems, but rather with how to 'get.' (This explains the parasitic nature of Jewish people. Jews never get rich off one another, but seek to 'get' the labor and wealth of others.)

"In regard to the moral value of the Jews' religious teaching, there exist quite exhaustive studies which show the kind of religion that we have in a light that makes it look uncanny to the Aryan mind. We are the best example of the kind of product which religious training evolves. Our life is of this world only and our mentality is as foreign to the true spirits of Christianity as our character was to the Founder of this new creed 2,000 years ago. The Founder of Christianity made no secret of his estimation of the Jews and the fact that he was not one of us. When he found it necessary he drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interest." (The Merchants of Babylon have commercialized our society.)

"But at that time, we managed to nail Jesus to the cross for his attitude towards us; whereas, the modern Christians enter into party politics and in order to win elections, they debase themselves by begging for Jewish votes. They even enter into political intrigues with us against the interests of their own nation. (These people have been called by various names -- scalawags, political prostitutes, carpetbaggers, charlatans, traitors, stooges, pawns, etc.)

"We can live among other nations and states only as long as we succeed in persuading them that the Jews are not a distinct people, but are the representatives of a religious faith who, therefore, constitute a 'religious community,' though this be of a peculiar character. As a matter of fact, this is the greatest of our falsehoods.

(The Jews have established five major falsehoods that work to conceal their nature and protect their status and power, to wit:

- 1) The Jews are Israelites, and thus God's chosen people;
- 2) Jesus Christ was a Jew;
- 3) That 6 million Jews were killed in a holocaust during WW II;
- 4) That all races are equal, or that all are brothers; and,

5) That the Jews are just another religious group.

"We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations. Our success in this line has gone so far that many believe that the Jews among them are genuine Frenchmen, or Englishmen, or Italians, or Germans who just happen to belong to a religious denomination which is different from that prevailing in these countries. Especially in circles concerned with government, where the officials have only a minimum of historical sense, we are able to impose our infamous deception with comparative ease. Therefore, there is never the slightest suspicion that we Jews form a distinct nation and are not merely the adherents of a 'confession.' Though one glance at the press which we control ought to furnish sufficient evidence to the contrary, even for those who possess only the smallest degree of intelligence."

The Apostasy of the National Council of Churches!

A full decade before the turn of the century, the seeds of the Marxist "social gospel" were already being planted within our major seminaries and divinity schools by returning American theologians who had studied in England and Germany. There they had become infected with the virus of a Conspiracy that had already changed much of the spiritual and moral structure of Europe. After awhile, of course, America produced her own clerical conspirators. One of these was a man named Walter Rauschenbusch.

In 1885, Raushenbusch was graduated from the prestigious Rochester Theological Seminary, thoroughly indoctrinated in the Socialist tenets of "Ilumanism" — a philosophy calling itself a religion but substituting faith in man for faith in God. As the atheist Karl Marx noted: "Ilumanism is really nothing else but Marxism." Rauschenbusch was both an Ilumanist and a Marxist. Thus, in 1892 he and a group of Comrades organized "The Brotherhood of the Kingdom" to promote their radical beliefs along Fabian lines.
